

CHAPTER 31

Admission to the Bar

Rule 31.2 Registration by law students.

31.2(1) Every person intending to apply for admission to the bar of this state by examination shall, by ~~November 1~~ January 15 of the year ~~in which~~ after the person commences the study of law in an accredited law school, register with the Iowa board of law examiners on forms furnished by the board and pay the required fee of \$40. The board may designate data submitted as a confidential record. Any confidential data shall be segregated by the board and the assistant director from the portion of the registration filed as a public record.

31.2(2) If any person shall fail to so register, the board may, if it finds that a strict enforcement of this rule would work a hardship and that sufficient excuse exists for failing to comply with rule 31.2(1), waive the requirements of this rule as to the date of filing. Refusal of the board to waive such requirement shall be subject to supreme court review. If the registration is not on file by the ~~November 1~~ January 15 registration deadline set forth in rule 31.2(1), but is on file by December 1 immediately preceding the registrant's July examination or July 1 immediately preceding the registrant's February examination, the registration fee will be \$150. If the registration is not timely filed, but is on file by April 1 immediately preceding the registrant's July examination or November 1 immediately preceding the registrant's February examination, the registration fee will be \$250. This fee is not refundable and shall be in addition to the fee required under rule 31.6. The failure to file the registration by the ~~November 1~~ January 15 deadline of rule 31.2(1) may result in delays in conducting the board's character and fitness investigation. The board will not expedite its character and fitness investigation because the registration form is not timely filed. The board may conclude the registrant should not be permitted to take the bar examination until the investigation is completed. The registrant will not be eligible for admission to the bar until the character and fitness process is completed.

31.2(3) Registration as a law student under this rule is not deemed an application for permission to take the bar examination.

31.2(4) The registration shall be accompanied by letters prepared by three persons not related to applicant by consanguinity or affinity attesting to the registrant's good moral character. The letters must be signed and shall include contact information for the reference provider. The letters shall state how the reference knows the registrant, how long the reference has known the registrant, and the basis for concluding the registrant possesses good moral character.

31.2(5) The board shall review each registration and may require the personal presence of any registrant at such time and place as the board may prescribe for interview and examination concerning the registrant's character and fitness.

The board may at any time find it advisable to make further inquiry into the character, fitness, and general qualifications of the registrant, and with regard to each registration, the board shall have all of the powers given it in respect to inquiry and investigation of candidates for admission to the bar.
